Dear Jeff,

Communication is the key to success in most activities. What we found out at KRESS is that many of our clients don't know or have forgotten all the services that we offer. That means this issue, we're going to focus on a few services that many of you may be unaware that we offer.

→ Annual Background Check Updates

KRESS has for many years provided updated or annual checks on existing employees. Many clients pull driving records (MVR's) once a year for anyone driving a company vehicle. Others run simple criminal checks to make sure there's been no new activity on file for the employee. And still others run a re-verification of professional license information and other government exclusion lists.

KRESS offers volume discounts and provides some simple data management tools to help gather and transmit this volume of information. As we're nearing the end of the year, this is a good time to take care of this so that we begin next year with the staff we want versus the staff we're left with.

→ Did You Know....

Did you know that KRESS offers drug testing? We work with LabCorp and Quest and client's can order directly from our website.

Did you know that KRESS offers an employee data management program we call KRESS Verify? This program will allow you to capture revenue from your existing employee data and save the time of providing employment and income verifications to third parties. Even more exciting, you can use this data to run periodic updated checks on your existing employees without have to spend hours and hours gathering all the data and transmitting the information to KRESS.

Did you know that KRESS has a suite of Economy Packages that allow clients to order quick, inexpensive background checks? Most of these services and packages cost less than \$20.

Thanksgiving Joke

A man in Phoenix calls his son in New York the day before Thanksgiving and says, "I hate to ruin your day, but I have to tell you that your mother and I are divorcing; forty-five years of misery is enough."

"Pop, what are you talking about?" the son screams. "We can't stand the sight of each other any longer," the father says. "We're sick of each other, and I'm sick of talking about this, so you call your sister in Chicago and tell her."

Frantic, the son calls his sister, who explodes on the phone. "Like heck they're getting divorced," she shouts, "I'll take care of this," She calls Phoenix immediately, and screams at her father, "You are NOT getting divorced. Don't do a single thing until I get there. I'm calling my brother back, and we'll both be there tomorrow. Until then, don't do a thing, DO YOU HEAR ME?" and hangs up.

The old man hangs up his phone and turns to his wife. "Okay," he says, "they're coming for Thanksgiving and paying their own way."

I wish a everyone Happy Thanksgiving. Eat way too much and spend time with the people you care for the most. Talk to you next month.

Sincerely,

Jeff Rackler
